Pizza–Pattern Puzzler

Look at the pizza patterns below. Finish each row of pizzas by drawing the correct size and the items that should be on the last pizza.

1.  _____

2.  _____

3.  _____

4.  _____

Your child will enjoy creating patterns from colorful circles of cereal (such as Fruit Loops™). Place the cereal in a bowl and have your child thread the circles on a long, thin piece of licorice. Encourage your child to create an interesting pattern with the colors (such as red, blue, blue, yellow). Afterwards, tie the ends of the licorice together to form a necklace. Let your child wear the necklace and nibble on the cereal for a special snack!
